Dr. Fred M'membe
Party President – Socialist Party
Plot 05/06 Off Katima Mulilo Road
Lusaka, Zambia

Dear Mr. President,

REF: REQUEST FOR AN EXCULPATORY EXPLANATION WITH REGARD TO YOUR PARTY'S ALLEGED PLOT TO HIJACK THE TONSE ALLIANCE AND OUST OUR CHAIRMAN, DR. EDGAR CHAGWA LUNGU

1. Mr. President Sir, fraternal greetings from the TONSE ALLIANCE. I write with reference to the matter captioned above, as well as an audio recording that is currently circulating on social media, and which was shared in the official TONSE ALLIANCE Council of Leaders Whatsapp group, this morning.
2. The audio recording in question allegedly captures a conversation between your daughter, Ms. Akende M'membe, who also serves as your party's Chairperson for International Relations, with your party's National Youth Chairman, Mr. Kelvin Kaunda. The two senior members of your political party are heard scheming to destabilize the TONSE ALLIANCE and also replace the Chairman, who is also the 6th Republican President, Dr. Edgar Chagwa Lungu. Your two senior party members are also heard ridiculing and mocking our Chairman's continued medical stay in Johannesburg, South Africa.
3. In the premises above, we are requesting you, as we hereby do, to give us an exculpatory explanation regarding the allegations above. We would also like you to show cause, why your application to join the TONSE ALLIANCE, which we received a few days ago, should still be favourably considered?

Yours In Service of the Nation:

Sean E. Tembo
